-

Professional Experience

Ernst & Young Solutions LLP

Sep 2016 to May 2017

Assurance Intern

- Managed and completed various audit engagements for companies in the consumer/retail sector with appropriate applications of Singapore Financial Reporting Standards (SFRS).
- Communicated with client firms' employees to gain an understanding about business processes and control procedures (e.g. such as the chain of authorising personnel involved in the purchasing process)
- Involved in trend analysis of clients' reported figures in the financial statements and assessed year-on-year account variances for anomalies.
- Identified significant variances that were above acceptable materiality thresholds for clarification with the client. Audit evidence was collected to support client's claims.
- Applied evaluation skills by assessing the reasonableness of client's processes; which included depreciation, valuation of investment property (e.g. discount rate assumptions) and appropriateness of FX rates used.

Inland Revenue Authority of Singapore

Tax Intern

Mar 2010 to Apr 2010

- Advised taxpayers on their tax returns to ensure appropriate quantum of their tax liability and eligibility of tax reliefs in accordance to the Singapore tax regulations.
-

Co-curricular Activities

SIT Investment & Commerce Club
