## Work Experience

### SENIOR ASSOCIATE | GLOBAL FINANCIAL SERVICES INDUSTRY – Deloitte & Touche LLP

Aug 14 - Present

- Key member of the audit team conducting statutory audit on the Singapore branch of an international wholesale bank, covering the Corporate & Institutional Banking & International Personal Banking businesses
- Tested the design and effectiveness of the bank's operational internal controls through understanding of the operational processes by conducting walkthroughs with key personnel
- Areas of emphasis include trade finance, corporate lending, markets, and compliance
- Grasp the technicalities of trading derivatives by the bank (e.g. Interest rate derivatives & foreign exchange derivatives), how derivatives are priced, and performed independent valuation
- Performed credit analysis on the bank's corporate customers through credit ratios and ensured compliance with MAS regulations
- Tested the bank's compliance in relation to the AML/CFT requirements by MAS
- Other major audit engagements includes conducting statutory audits one of the largest group of private equity firms
- Performed valuation testing on investments held by the firm
- Ensured that clients' financial statements and disclosures are in accordance with SFRS, IFRS & US GAAP
- Other audit engagements include the audit of trust companies, funds & fund managers
- Present audit findings to partners in a concise manner and improved presentation skills
- Learnt to prioritize work, time management and manage different stakeholders' interests

### INTERN | TREASURY – Temasek International Pte. Ltd.

Jun 13 – Aug 13

- Documented processes for short-term FX hedging standard operating procedures
- Formulated Excel templates which streamlined multiple sources of FX data into the Temasek quarterly review; reduced man hours from about one week to just a few hours
- Improved Excel skills, attention-to-detail and knowledge of FX's underlying function in investments

### INTERN | FINANCIAL ADVISORY SERVICES - Deloitte & Touche LLP

Dec 12 – Jan 13

- Assisted the debt restructuring of private entities with accurate capital forecasts and proof-reading of valuation reports
- Conducted in-depth research on clients debt and corporate activities including financing and mergers & acquisitions
- Established clear lines of communication with creditors and financiers of companies undergoing liquidation
- Learnt to work independently and honed self-discipline

### INTERN | GLOBAL FINANCIAL SERVICES INDUSTRY – Deloitte & Touche LLP

May 12 – Jul 12

- Performed Test of Controls, Test of Details and Standard Analytical Procedures
- Performed bank reconciliation and third-party confirmations
- Integral member of audit team which conducted statutory audit of one of the largest Real Estate Investment Trust in Singapore
- Worked in a team-setting and learnt the importance of ethics in business
