Singapore

EXPERIENCES

Manager

PriceWaterhouseCoopers LLP

Dec 2014 - ongoing Singapore

- Provided internal audit in private banking, securities and funds services and treasury to multinational banks
- Manager-in-charge for several internal audit projects to review processes such as risk management, compliance, AML/CFT, credit risk and operations
- Led a team of 2-3 people to provide financial litigation support to internationally-renowned private bank in advising the financial position of derivative instruments worth over US\$ 100 million (AUM)
- Set up Finance function for a government start-up company and managed the funds receipt and utilization over S\$20 million
- Established and implemented Finance and Procurement policies and procedures to ensure alignment and compliance with corporate governance requirements
- Drafted proposals to assist Partners in business development to pitch for new projects ranging from S\$200k to S\$1 million

Regional Internal Auditor

Donaldson Filtration (Asia Pacific) Pte. Ltd.

Jan 2014 - Nov 2014 Singapore

- Performed and managed 5 countries (China, India, Hongkong, Singapore and Australia) of internal audit and risk management reviews to evaluate control effectiveness in financial and operational activities
- Identified potential gaps and areas of improvement in stock obsolescence and impairment amounting to S\$2 million and communicated with senior management with regards to the implementation actions

Senior Associate

Ernst & Young LLP

Nov 2012 - Dec 2014 Singapore

- Oversaw a team of 4-5 people working on several external audit projects and provided guidance to team members
- Performed financial due diligence on various types of companies in Singapore and China (listed, non-listed and IPO) including trading, manufacturing and construction worth over S\$1 billion of business
- Actively communicated with clients and Partners to manage the expectations, chosen by multiple clients in recurring audit projects due to excellent problem-solving and communication skills

MOST PROUD OF

Proud Investor

Doubled personal (and my father's) net worth and savings in a span of 4 years through persistent market analysis and timely investments choices.

CFO for 6 months

Envisioned and established Finance function for a government start-up company. Worked directly with CEO to define financial systems from budget management to IT and HR staffing.

Taekwondo Black Belt

Achieved black belt rank in record time (2 years) and won my first sparring championship at the age of 17.
