CAREER HISTORY:

November 2015 - present

KPMG Singapore
Audit Manager

Primarily involved in the audit of private equity, trading, oil and gas and services industries. A description of work done is as follows:

- Audit of financial statements in accordance with applicable accounting frameworks (International Financial Reporting Standards and Singapore Financial Reporting Standards) as well as the Singapore Companies Act, Chapter 50.
- Review of Capital Market License submission for fund management firm.
- Analysis of financial information, including the investigation of significant and/or unusual trends
- Review of current tax and deferred tax computations
- Preparing deliverables for reporting to stakeholders i.e. audit committee members and/or Group auditors

Responsibilities:

- Led and effectively managed audit teams (consisting of 3 to 4 team members), and actively coached team members
- Responsible for the allocating audit assignments, conducting performance appraisals, looking into personal development of team members.
- Well-versed in industry-specific knowledge and audit procedures, including documentation that comply with ISA 230 requirements.
- Utilised strong interpersonal and relationship building skills, communicating effectively and building rapport with clients, staff, peers and management throughout all levels of the organization
- Functioned both effectively and efficiently in highly pressurised environments, delivering high quality work within the required time frame.

November 2015 - present

**KPMG Singapore
Audit Manager**

Responsibilities (continued):

- Demonstrated professional skepticism, with an attention to details.
- Experienced in reviewing consolidated financial statements and current and deferred tax computations.
- Manage client relationship well and ensure all tight deadlines are met professionally.

April 2014 – November 2015

**Reckitt Benckiser (“RB”), Malaysia
Financial Accountant/Finance Manager**

Responsibilities:

- Reports to the Financial Controller for Malaysia and Singapore
- Responsible for General Ledger, Financial and Management Reporting for Reckitt Benckiser (“RB”) Malaysia.
- Regularly liaises with various departments within RB to facilitate the reporting process
- Responsible and actively manages Treasury for RB Malaysia and RB Singapore, including regular correspondences with banks, and structuring foreign exchange hedges on a regular basis
- Oversees reporting for RB Singapore, in the absence of its Financial Accountant/Finance Manager.
- Implement regional financial policies, guidelines and processes that comply with Reckitt Benckiser Group standards
- Effectively worked with the Financial Controller in coordinating and preparing monthly management reports, including consolidated results
- Prepare high quality analysis on a timely basis, including yearend financial statements
- Actively involved in the monthly, quarterly and annual forecasting and planning processes of the Company, providing relevant data in an easy-to-understand format, and ensure that submissions adhere to internal, regional and global deadlines
- Proactive participation in all things financial for the purposes of country review, strategy meetings, planning and other ad hoc reviews, offering suggestions and out-of-the-box thinking
- Committed to self-development, ensures that professional knowledge and other information integral to rendering services as a Financial Accountant/Finance Manager is up-to-date, arranging for attendance at accredited trainings as necessary.
- Spearheaded the implementation of GST for RB Malaysia, and is RB Malaysia’s port-of-call for all things GST-related.

CAREER HISTORY (continued):

April 2014 - present
