WORK EXPERIENCE

PricewaterhouseCoopers Advisory Services Pte Ltd, Singapore

Jul 2015 to Present

Mergers and Acquisitions (Financial Due Diligence) – Senior Associate

- Critically analysed the financials of target companies and highlighted to buyers key issues and pitfalls that potentially affect the valuation of the transaction. These included evaluating earnings sustainability, assessing the quality of net assets, determining optimal working capital levels, normalising cash flows, identifying debt-like obligations and proposing due diligence adjustments.
- Worked closely with private equity clients by furnishing analyses tailored for their model input and refining/validating their financial models.
- Experience with corporate acquisition deals include Surbana Jurong's S\$400 million acquisition of SMEC (global infrastructure consultancy firm based in Australia); Rowsley Ltd's S\$64 million investment in Hotel Football, Café Football and GG Collections (hospitality and F&B businesses in the UK); Brenntag's acquisition of EPChem (a distributor of specialty chemicals in AsiaPac, undisclosed amount); and Singapore-listed ARA Asset Management's acquisition of 50% stake in Capital Square (office property in Singapore, undisclosed amount).
- Experience with private equity deals include Northstar's proposed S\$331 million acquisition of Singapore-listed Innovalues Ltd (precision automotive components manufacturer); Macquarie Capital's US\$60 million investment into IO (leading global provider of data center services); ShawKwei & Partners' S\$51 million acquisition and privatisation of Chosen Holdings (plastic solutions manufacturer); and Varde Partners' undisclosed bid for Ascendas Hospitality Trust. Other non-public deals include a fitness center operator with 50 clubs in Southeast Asia and a private education group with schools across all educational segments in the region.

PricewaterhouseCoopers LLP, Singapore

Sep 2013 to Jun 2015

Assurance – Associate

- Recurring portfolio of clients include global leading freight forwarders, major regional players in logistics and ecommerce solutions, and large energy and commodity trading companies.
- One of only three second-year associates to earn a transfer into the Advisory M&A (FDD) department the following year.

ACADEMIC & PROFESSIONAL QUALIFICATIONS

Chartered Accountant of Singapore

Chartered Financial Analyst - 2017 Level III CFA Candidate

Singapore Management University - Bachelor of Accountancy with major in Finance

Aug 2009 to Jul 2013

- Attended the Maastricht University School of Business and Economics (The Netherlands) International Exchange Programme (Sep to Dec 2011).
